Nurse.org is the largest website and community of nurses online. We impact the lives of nurses and nursing students by publishing thought-provoking content, supporting their career growth through high-caliber educational opportunities, and launching culture-changing initiatives.

TravelNursing.org connects the top staffing agencies in the country with highly skilled nurses to help fill those needs. Our philosophy is simple: everyone wins — nurses, hospitals, and patients — with travel nursing.

We believe that no one knows nurses better than, well, nurses. That’s why we rely on registered nurses and other experienced healthcare professionals to write our content. We strive to be the go-to source for nursing news, trending topics, and educational resources. That means that you can trust us to have reliable, up-to-date information that’s continuously reviewed to ensure it’s as relevant and accurate as possible.

Creative Directors

Alice Benjamin
Chief Nursing Officer & Correspondent: Alice Benjamin, MSN, APRN, ACNS-BC, FNP-C, CCRN, CEN, CV-BC, also known as Nurse Alice, is a cardiac clinical nurse specialist and family nurse practitioner with over 23 years of nursing experience specializing in cardiology, critical care and emergency medicine. She is the host of the Ask Nurse Alice Podcast as well as an NBC Los Angeles Medical Correspondent. You can follow her at asknursealice.com, on Twitter, Facebook and Instagram at @AskNurseAlice.
